## LOVE GIRLS MAGAZINE

### MISSION

Love Girls Magazine was founded on one simple idea: **every girl has a story!** This for girls by girls nonprofit works to boost self-esteem, celebrate young women and change the ways girls view the world and the way the world views girls through graphic design, writing, photography and curated events. Young women 10-24 years old gain valuable workforce skills, opportunities and a loving network of support. ♥

*"I go through dark times when I don't feel worthy enough or good enough for other people. Being a part of the podcast gives me a sense of purpose."  
- Dalaysia, Central High School*

# LOVE GIRLS

" I am honored to have been chosen for the cover. Love Girls Magazine has been a safe place for me to grow and learn.

2022 marks **10 years** of empowering local girls. **OUR PROGRAMMING IS FREE TO LOCAL GIRLS, BUT HERE IS WHAT IT COSTS US:**

**LOVE GIRLS: THE PODCAST**  
\$100 per episode

Through a partnership with WVIK radio, we created Love Girls: The Podcast, where we sit down with women and girls from the Quad Cities and beyond for intimate conversations about young adulthood, life and mental health while having some fun along the way. The podcast helps young women find their voice and learn about broadcast journalism.

**SCHOOL BASED MENTORSHIP PROGRAM**  
\$2000 per school

This program provides ongoing outreach to local schools. Girls are provided a safe and supportive environment to share their stories, develop their writing skills and learn about journalism.

**THE LOVE AWARDS**  
\$25 provides a fee ticket to a local girl

Each year, the community nominates girls for our youth recognition ceremony. We roll out the purple carpet for a fun-filled night of music and entertainment to honor deserving young women. It is imperative that we recognize the contributions of women and girls. Society may tell them they are not enough, but with your help we remind them that they are more than enough.

Twice a year we have a photo shoot, engage in graphic design, and copy editing to produce a beautiful printed magazine. Over the past 10 years we have published more than 25k hard copy magazines for young women to share with their community, family and friends. Love Girls Magazines are archived at local libraries, schools and the University of Iowa.
